# DOGGO RULES !

**For the comfort and safety of our Staff, Guests & Pooches we kindly ask that you take note of the following:**

Please keep your Pooch on a tight leash at all times.

Place a coat/blanket underneath your dog if they are chilling on the furniture.

Please clean up after your 4 legged friend using poo bags and bins provided.

For safety reasons we do not provide doggy bowls at the table. However, doggy refreshment stations are located around the bar.

Restricted Breeds (or any dog crossed with a restricted breed), as well as those deemed by management to be a potential safety risk to staff, customers or other dogs, must be muzzled at all times.

Hoomans may be asked to bring their dog to the naughty corner, should their Pooch misbehave. No one likes a naughty dog, so we reserve the right to relocate tables, or ask to leave if necessary.

Above all else, please use common sense with your precious Pooch. If the bar is busy, please make sure they are not an obstruction. If they are disturbing other guests with barking, it might be time to go.

Please ask owner's permission before petting their dog. This particularly applies if your child wishes to say hello to the dog.

Doggy treats are available from our doggy vending machine located in our Beer Garden.

All dogs must be off the premises by 9pm.

There is a limit of 2 dogs per person.

**There is a hand sanitising station at our food service counter. Our staff are trained to sanitise their hands after petting dogs.**
